HELP WANTED MALE INSTRUCTION

THE BUSINESS OF THE FUTURE IS TO BE DONE LARGELY BY MAIL.

So, the inceasing and necessary dependence of business upon letter-writing, counted with the increasing respect for letter-writing ability, makes the career of the letter supervisor, correspondence critic, or house correspondent a decidedly promising one.

men and wemen to fill them at

\$1,800 TO \$10,000 A YEAR.

Business letter-writing is a specialized modern profession, off the beaten track and out of the press of competitive over-crowding. It has splendid opportunities for advancement and all sides of business.

The career of the letter supervisor is one of close relationship with every element of business every type of executive and every phase of departmental work, with an everpresent variety and a constant and unusual opportunity to demonstrate special world and value to those higher in authority. It demands familiarity with the determinative policies and strategic plans of a business concern and close association with its heads.

This consideration alone is worth a great series of the consideration alone is worth a great series of the public of the
